

PARENT SOCIAL AND EMOTIONAL LEARNING ACQUISITION

Direct your child toward
academic and career
success.

SCAN ME!

SELF AWARENESS

Learn how to self-regulate and overcome negative emotions. Utilize your best skills and work toward expressing them appropriately.

RELATIONSHIP SKILLS

Learn to implement communication skills from business to classroom environments, as well as exhibit professionalism, time management, and working with a team to form solutions to problems.

SELF MANAGEMENT

Instill intrinsic motivation within your child to guarantee ultimate preparedness and success in the classroom. Prioritize focused attention, independent students, and limited distraction.

RESPONSIBLE DECISION MAKING

Develop the ability to solve problems efficiently through identifying, analyzing, and finally solving the problem. Consider ethical concerns, standards of safety, and social responsibility to make constructive choices.

SOCIAL AWARENESS

Understand the components which create a positive classroom and future work environment. Make children aware of the needs of others and how to take social responsibility.
